

**Minnesota Native Plant Society  
March Botany Field Trip  
Pine Bend Bluffs Scientific and Natural Area**

**Where:** Pine Bend Bluffs Scientific Natural Area

**Date/Time:** March 12<sup>th</sup>, 2011 from 1-4 PM

**Leaders:**

**Otto Gockman (Botanist, MNR)**

**Andrés Morantes (Botanist, MNNPS Secretary)**

**Scott Milburn (Botanist, MNNPS President)**

This provides a great opportunity to explore one of the newest Scientific and Natural Areas right here in the metro. We will be viewing the scenic bluffs overlooking the Mississippi River while learning how to identify native tree and shrub species. An additional treat is the search for the first flowering plant of the year, Skunk Cabbage.
